DALLAS, TX – June 30, 2009 – General Datatech, l.p. announced today that it is the recipient of a Cisco Partner Summit regional award for Data Center Partner of the Year. Cisco unveiled the winners June 3 at its annual partner conference in Boston.

"I have the honor and privilege of recognizing General Datatech as a Cisco Partner Summit regional award winner," said Wendy Bahr, senior vice president, U.S. and Canada channels at Cisco. "The Data Center Partner of the Year recognizes General Datatech's performance and accomplishments as a Cisco channel partner in the south region in 2008."

JW Roberts, President and Owner, General Datatech, L.P, said: "General Datatech is very honored to be named the South Region Data Center Partner of the Year. The award demonstrates General Datatech's commitment to empowering our professional services organization to deliver the latest advanced technologies from Cisco Systems and value added services to our clients."

Cisco Partner Summit awards are presented at three levels: regional, theater and global. Cisco Partner Summit U.S. and Canada regional awards reflect a partner's performance in a given geographic region of the United States or Canada.
